Working with Felix - becoming a member of the ICP Club

Felix enjoys working in interdisciplinary teams on multiple topics and projects. He jokingly calls the group of persons he works with the ICP Club (*International Club of cool People*). Students interested to become a member in this informal club, and to work with Felix in one of his research projects or on some other fun projects during one of the upcoming semesters, are invited to reach out to him via mail, Mattermost, or during his [open office hours](#).
